Item 4: Other Business Activities (only include #2 if it is applicable to you)

a) The IAR is engaged in the following **investment-related** business activities:

1. Blake Bonner is a Registered Representative (RR) of IFG, a registered broker/dealer and member of the Financial Industry Regulatory Authority ("FINRA"). RR is licensed to sell securities and securities-related products through IFG and receives transaction-based commissions. This creates an inherent conflict of interest when working with clients to either provide commission-based products as a RR or advisory based products as an IAR. Please note that you are under no obligation to purchase or sell commission-based products through Blake Bonner. If you elect to open a commission-based account through IFG, disclosure will be made regarding the nature of the relationship, services offered, and compensation received at the time the account is established.
2. Blake Bonner is licensed as an insurance agent and offers fixed and variable life insurance products for commission-based compensation. As an agent Blake Bonner also receives other compensation such as - fixed or variable life renewals from insurance carriers. Being an agent of an insurance company inherently causes a conflict of interest. As an agent, Blake Bonner represents the insurance company, which precludes Blake Bonner from being a fiduciary to you in that transaction. It is important when selecting between available commission-based products or advisory based products to ask how Blake Bonner will be compensated for that insurance product/transaction. When acting as an IAR Blake Bonner has an inherent fiduciary obligation to serve your best interest. Please note that you are under no obligation to purchase insurance products through Blake Bonner. If you

elect to purchase insurance through Blake Bonner, at or before the time of the transaction, disclosures are made regarding the nature of the relationship, services offered, and compensation received.

Item 5: Additional Compensation

At times, an IAR will receive non-cash compensation from product sponsors as permitted by industry rules. For example, product sponsors may reimburse up to 100% of the cost of due diligence, training, and education/joint marketing meetings. In addition, product sponsors may invite an IAR to attend seminars, conferences and/or entertainment events at little or no cost.

An IAR of IFG may also receive compensation for referring a client to another Registered Investment Adviser for account management. The RIA may pay a fee for the referral (solicitation fee). In certain cases, the IAR will serve as the RR on the assets managed by the third-party RIA. In this instance, the IAR will receive compensation (e.g., commissions, 12b-1 fees, trails) for the purchase of the investments in addition to the referral fee paid by the third-party advisor.

Item 6: Supervision

Blake Bonner is supervised by Richard Mireles, V.P. Supervision, at 858-597-1980. The Supervision Department's responsibilities include: review and approval of advisor's transactions, regular review of correspondence and review of client documentation such as account forms, advisory agreements and Investment Policy Statements. The supervisor or his designee will conduct this supervision by using daily trade reports, blotters, compliance reports and other back-office systems provided by IFG. The supervisor or his designee also reviews inspection reports of the IAR's business practices as conducted by IFG's Compliance Department to monitor if IAR is adhering to IFG's Code of Ethics.
